Monthly Membership Meeting Minutes

July 17, 2013

Marion County Public Works, Salem

The Oregon Mechanical Officials Association is dedicated to providing a professional environment for mechanical code officials and industry professionals to share knowledge and educate each other to enhance the public welfare.

CALL TO ORDER:

Secretary Tony Niskanen called the meeting to order at 12:45 p.m., July 17, 2013.

ATTENDANCE:

Executive Board members present included: Secretary Tony Niskanen and Members At Large Jim Trussell and Samantha Vandagriff. Also present were John Corliss, Mark Heizer, Randy Soelberg and OMOA's Bill Cross.

APPROVAL OF MINUTES:

The minutes from the June 20, 2013 meeting were presented.

MOTION: made by Jim Trussell and seconded to approve the June 20, 2013, Membership Meeting minutes as written. Motion passed unanimously.

OMOA COMMITTEE REPORTS:

Education Committee: Jim Trussell reported that the instructors for the Annual Institute have been confirmed. The membership discussed topics for the Fire and Smoke Damper class. Jim Trussell will review the materials that the instructor Larry Felker uses for that class.

There was also a discussion about the 2014 OMSC Code Change class. BCD has stated that if we use Mark Heizer as the instructor, we cannot charge a registration fee for the class. There would be a daily registration fee but the code change class would be offered for free assuming the registrant did not want to take any other classes or have lunch or break meals. Jim Trussell and Bill Cross were asked to work with BCD on the financial arrangements.

CODE DISCUSSION:

Mark Heizer announced that he will prepare a question to go to the membership to gather input illustrating examples of “accessible” versus “readily accessible” concerning refrigerant access.

OLD BUSINESS:

The website designer is on board and will be developing the new website. It was suggested that it would be nice to be able to enter “OMOA” as well as “Oregon Mechanical Officials Association” when searching the internet for the website..

NEW BUSINESS:

There was no new business.

ADJOURNMENT:

The meeting was adjourned at 1:30 p.m.

Respectfully,

Bill Cross
Executive Director
